# Xecutives Informational Signs

For a unique look, create your own custom sized signage. Available in the following formats: flat wall sign (W10), tent signs (W11 and W12) or pedestal signs (W13). Custom sized signage is a great choice for counter and wall signs or as a replacement for your old outdated signage.

## W10 flat wall sign

Mounting Options when ordering: Double-sided Tape (on back), Clear Adhesive (on front), Velcro®, Suction Cups, Magnetic Tape or Screw Holes.

## W11/W12 tent sign

W11 is engraved on one side and W12 is engraved on both sides. To order a tent sign, multiply finished sign height by 2 to determine overall height.

## W13 pedestal sign

Free-standing engraved pedestal signs are made by bending one-third of the plastic to form the base. No frame needed. Pedestal Sign: Multiply finished sign height by 1.5 to determine overall height.
