The San Pasqual Environmental and Water Department’s New Year is in full effect with many projects on the schedule for 2019. So far on the schedule we have IHS Septic and Water Installations, Paradise Creek Restoration Project Phase 3, Paradise Creek Stablization Phase 2, Solar Spring Break, Earth Day 2019, the Annual Inter-Tribal Earth Day, NRCS Wetlands Project, the 27th Annual EPA Region 9/ Tribal Conference and many more. Also at the start of the New Year the San Pasqual Environmental Department works to complete Project work plans for 2020 as early as it may seem we are always planning the next round of projects.

To learn more or for updates on projects taking place in 2019 be sure to follow the Environmental Facebook Page at www.facebook.com/sanpasqualenvironmental.
