

SAN PASQUAL NATIVE AMERICAN SCHOLARSHIP FUND

EDUCATION AND VOCATIONAL ADMINISTRATIVE POLICY

1. PURPOSE

The purpose of the Fund shall be to provide financial support to enrolled tribal members and direct descendants of a living and deceased enrolled tribal members pursuing advance education at the community college, university or vocational school level. The Scholarship Fund is a needs-based program designed to make education affordable. Tribal Scholarships will be award after all other financial aid awards have been considered.

2. FUNDS NAME

The San Pasqual Native American Scholarship Fund is established through the Tribal Government and funded through the General Fund.

3. CRITERIA

Applicants for the award shall meet the following criteria:

- The candidate must be an enrolled tribal member or the direct descendant of a living or deceased tribal member. Descendants are those who are the issue, i.e., direct lineal descendants, of a living or deceased tribal member. This would include children, grandchildren, and great grandchildren, etc., who are related by blood to the living or deceased tribal member.
- The candidate must be enrolled or accepted for enrollment at an accredited college or university, community college, or vocational school.
- Candidates accepted for admission to a college, university, community college, or vocational school and who possess a minimum cumulative GPA of 2.00 at their high school, or who are currently attending a college, university, community college or vocational school and who possess a minimum cumulative GPA of 2.00 or equivalent at their currently enrolled institution or school will receive priority consideration
- The candidates are approved on a “first come, first serve” basis after a correct and properly completed application is received.
- To ensure timely disbursement of funds and appropriate budgeting of funds, the candidate’s completed application must be received no later than sixty (60) days prior to the start date of classes for the period to which the application applies. Applications received after the deadline will be considered, only if sufficient unspent funding remains.

- Candidates requesting “supplement of contract” (reimbursement for single classes) have thirty (30) days after they have registered to turn in completed application to be considered for reimbursement. Applications received after the deadline may be considered by the Business Committee at the Committee’s discretion and only if sufficient unspent funding remains.
- Candidates admitted to an accredited school are required to seek financial assistance using FAFSA (Free Application for Federal Student Aid) and are encouraged to explore other funding sources such as from governmental institutions and organizations, including charitable organizations, for funding. The Business Committee will use the FAFSA to evaluate financial need and each candidate shall include the FAFSA report along with the scholarship application. The San Pasqual Scholarship Fund provides supplemental assistance based on need and is not intended to provide full scholarship assistance or cover the full cost of tuition. Tribal scholarships are meant to supplement other financial aid. Financial aid from other sources is considered first before approving a Tribal scholarship award.
- Candidates who drop a class after Scholarship funds have been released to pay for the class are not eligible to request funding to repeat the class in the absence of circumstances beyond the control of the student. Re-application for funding of the class may be considered by the Business Committee. The student’s re-application should be accompanied by an explanation of the circumstances that caused the student to drop. Any refunds for dropped classes shall be immediately reimbursed to the Scholarship Fund. Refunds that are not reimbursed may be grounds to deny future funding to the applicant or may be applied against future funding at the discretion of the Committee.
- To be considered for a scholarship, the applicant shall submit the following supporting documentation:
 - a) Completed Application Form;
 - b) Proof of Acceptance, Enrollment, Registration or Admissions (a current class schedule is an acceptable substitute);
 - c) Financial Aid Statement and Evidence of Other Financial Aid Assistance awards;
 - d) Copy of student’s Free Application for Federal Student Aid (FAFSA);
 - e) Access to the student’s financial aid portal (student to authorize school to release financial aid/award information to the Tribe) to obtain financial aid and official billing statements showing account activity;
 - f) Proof of San Pasqual Indian Certification;
 - g) Student Statement (include connection to Tribe and Goals);
 - h) Official Transcripts of previous term showing proof that previous classes were completed where a scholarship award has been made.
 - i) Proof of GPA 2.00 or higher;
 - j) Degree/Class schedule;
 - k) Copy of Student ID;

- Candidates are required to submit proof of diploma/certificate upon completion of schooling.

4. FUNDING

- a. The San Pasqual Native American Scholarship Fund is established by the San Pasqual Band of Mission Indians with an annual pledge to be determined in the annual calendar year budget approved by the Tribe's General Council. The Fund is established with the intent that monies available to the Fund will be expended for its established purpose. The Fund may be augmented with additional funding at any time.
- b. College/University scholarship awards may be made up to up to a maximum of \$6,000 per calendar year. Awards will be made on the basis of need. Eligible applicants will receive \$3,000.00 per semester, or \$2,000.00 per quarter. Vocational school awards may be made up to \$2,500.00 per semester or training session. The amount of the maximum award guidelines may be changed by the Committee from time-to-time based upon available funding and demand for scholarship funding. The Committee may choose not to award a scholarship at the maximum amount permitted because the amount awarded shall depend upon the need of the applicant, the amount of available funding, the number of scholarship requests and the amount of each scholarship request.
- c. Funds needed to improve or learn a new job skill, enhance one's current job, or retrain for a new or similar job, do NOT qualify for a scholarship under this policy. Funds needed to pursue these types of learning, may be available through the Tribal Employment Rights Office (TERO).
